Calls forwarded to BT ECAS	3.78	12/02/2023	11/02/2024	Final
Calls forwarded to BT ECAS	3.78	12/02/2024	11/02/2025	Final
Calls forwarded to BT ECAS	3.93	12/02/2025	11/02/2026	Final
Calls forwarded to BT ECAS	3.96	12/02/2026	11/02/2027	Final

The price for calls forwarded to the BT ECAS is provided in tables 1 and 2 below. This charge will be applied to operators directly interconnected with the BT ECAS. Any transit charges incurred are outside the scope of this price list.

**Table 2 Test calls to the Emergency Call Answering Service ECAS using the '997' test number.
(Euro)**

Service Description:	Price Per Call:	Effective From:	Effective to:	Status:
Calls forwarded to BT ECAS	0.0	21/10/2009	11/02/2027	Final

Note 1. The test number 997 has been allocated for making test calls to the ECAS. ECAS makes no charge for calls to this number.

Note 2. The test number 997 is not to be used to make genuine 112/999 calls unless specifically agreed and BT does not assure that facilities will be available to answer such calls unless specifically agreed as part of an agreed test. The number is for test purposes only.

Note 3. ComReg have advised that this is a test number and end users should not be charged.
